

**Arizona FFLA Chapter Report
2021
January 14, 2022**

Membership: 25

Carry forward: \$968.28

2021:

Inactivity based upon reluctance to travel to fire lookout sites during the pandemic. Some assistance provided to those who requested and a number of calls about former lookouts. We are continuing the project to make the Dave Lorenz Collection accessible to the public at the "Cline Library's Special Collections & Archives". This was also disrupted as insufficient staff to operate that department on a full time basis. The last donation included four binders of photographs, notes, maps, and research pertaining to the fire tower history on Arizona.

Goals for 2022:

Continued fire lookout reviews will depend upon the ability to access the sites.

- Add some former sites to FFLA data base
- Continue with presentations on Arizona Fire Lookout System.
- Perhaps write an article for the LOOKOUT NETWORK.
