FOUR FIRE TOWERS FOR SALE - DISASSEMBLED

At this time I have four fire towers for sale. All are at my New York State property unless noted.

1 - 46 foot tall Aermotor MC-39 with 7x7 cabin, has windows \$ 26,000 fob from New Hampshire. Great shape needs little work. Needs Bolt Kit. Stored on my property.

1 - 100 foot tall International Derrick Series 1937- With Cabin has Windows, Great original shape needs 15-20 components replaced and the entire tower kit needs to be hot dipped. Currently down and disassemble stored in Binghamton, NY. Needs Bolt Kit. Can supply all parts. Tower is totally disassembled.

Can load on your truck in NY or ship to you. \$ 42,000 fob

1 - 20 Aermotor Metal Tower Live-in Tower, has a 14' x 14' sheet metal Cabin All Original, needs some restoration attention to the Cabin. The full sheet metal Cabin and Roof, has original windows, no glass, So needs Wooden Floor, Wooden Catwalk and railings, Have non-skid steel treads for it. The Tower itself can go up as it is in excellent condition. From North Carolina. These are rare to find as a ready to assemble tower. Needs Bolt Kit. \$ 32,000 fob

1 - 30 Aermotor Metal Tower Live-in Towers has a NEW 14' x 14' Stick Built Live-in Cottage Cabin. needs no restoration attention to the Tower structure. NEW Cabin and Roof, has no windows yet, no glass, So has Wooden Floor, Wooden walls, needs Catwalk and railings, Have steel non-skid treads for it. We built this one up based on old USFA drawings for Cottage Cabin. Cabins Framework is a Knockdown panelized design with a stick built roof. Can be disassembled for transport. The Tower itself can go up as it is in excellent condition. From North Carolina. \$ 56,000 fob

SERIOUS INQUIRIES CAN CONTACT ME TO DISCUSS YOUR IDEAS AND I CAN DEVELOP A FULLY INSTALLED COST FOR ANY OF THESE FIRE TOWERS.
