

**Arizona FFLA Chapter Report
2024
January 06, 2025**

Membership:23

Carry forward: \$1,126

2024:

An active year in answering online questions from others interested in becoming “fire lookouts.” A continuation of working with other researchers with their work on learning more about either friends or family members who worked for the forest service-some as fire lookouts.

I met with Barb Zinn in Flagstaff to review her work on the Coconino National Forest survey of fire lookouts. In addition I sent her material from my collection. Revisited several lookouts on Kaibab and Coconino NF.

Goals for 2025:

Continued fire lookout reviews and assisting other individuals who study fire lookout.

I will step down as Arizona Chapter Director in 2025. Looking for a person who is interested in assuming the director duties.
